If you like this one.

The screenshot shows the Amazon Business website interface. At the top, there's a navigation bar with 'amazonbusiness' logo and a search bar. Below it, there are links for 'Departments', 'Today's Deals', 'Sell on Amazon Business', and 'Help'. A promotional banner for the Amazon Rewards Visa card is visible, offering a \$50 instant gift card upon approval. The main section is titled 'Shopping Cart'. It contains one item: 'WD 2TB Black My Passport Ultra Portable External Hard Drive - USB 3.0 - WDBBKD0020BBK-NESN [Old Model]' by Western Digital. The item is in stock, eligible for free shipping, and has a price of \$115.89. There are red arrows pointing to the item name, the 'This is a gift' checkbox, and the price.

Thanks Tom. Sam - what do you need from us? We have an approved/funded 213 (same purpose as the G&S request). Next step would typically be creation of a PR. Let us know please.

Tom – checking to see if you guys have a 2TB external hard drive in the IT cache. If not, would you want us (non IT) to purchase or does the purchase need to be made by Sam? Please advise. Thanks.

P.S. the hard drive will be used by the Safety Officers to manage all of their related documentation for this response
